23 January 1959

The Firewel Company, Inc.  
3685 Broadway  
Buffalo, New York

Gentlemen:

I have been informed that one (1) suit for No. 31 is being shipped directly to the David Clark Company for the following alterations:

At present, this suit "pulls down" considerably over both shoulders and causes severe pinching on inside of elbows when uninflated.

Present measurements are:

Height-----	66 3/4 inches
Weight-----	152 pounds
#3 Shoulder circumference-----	47 1/16 inches
#5 Waist circumference-----	34 5/8 inches
#16 Sleeve length-----	(Right)----- 33 3/16 inches
	(Left)----- 33 7/16 inches
#19 Biceps-----	(Right)----- 12 7/8 inches
	(Left)----- 12 1/4 inches
#20 Elbow circumference-----	(Right)----- 13 inches
	(Left)----- 12 inches
#21 Forearm-----	(Right)----- 11 1/8 inches
	(Left)----- 10 7/8 inches
#24 Shoulder (Acromion to elbow)(Right)-	13 1/8 inches
	(Left)----- 12 7/8 inches
#25 Elbow to wrist bone-----	(Right)----- 9 1/2 inches
	(Left)----- 9 1/2 inches
#28 Vertical trunk circumference-----	63 1/2 inches

A second suit will be forwarded for identical alterations when the above suit is returned and properly fitted.

You are hereby authorized to proceed with the above work under Contract No. HF-TM-16. [ ] will be requested to issue a confirming Work Order and shipping instructions under this contract.

Very truly yours,

cc: David Clark Co.
